I certify the operational credentials are correct:

Applicant's signature

Printed Name

Date

Notes:

- *IMPORTANT - The Police and Fire Departments shall be notified in writing of the location of all storage of explosives within the City limits.*
- * Permits are not transferable to other locations or other persons.*
- * The hours during which blasting may take place are between 8:00 a.m. and 5:00 p.m., Monday through Friday, excluding Federal, State, and City Holidays, unless otherwise approved in writing.*
- * Site operators shall be required to perform monitoring of blasting events to accumulate data with respect to the seismographic and airblast effects of the blasting activity as required by federal and state law.*
- * A seismographic record shall be provided for each blast and the site operator shall be responsible for such record and for providing proper instrumentation as specified in the Blasting Ordinance. Personnel conducting such monitoring shall be properly trained in the operation of the equipment being used.*
- * The blasting site shall be available to the City for inspection at all times during regular office hours. All records, including monitoring records referenced above, relating to blasting activities, will be made available to the City during normal office hours within seventy two (72) hours after such request is made.*
- * Any person violating any provision of the Blasting Ordinance shall, upon conviction, be fined a sum not exceeding two thousand dollars (\$2,000.00). Each day that a provision of the Ordinance is violated shall constitute a separate offense. An offense under the Ordinance is a misdemeanor.*
- *See Attachment A (Blasting Ordinance) for additional information as well seismographic and airblast standards.*

City assumes no liability for damages as a result of issuing this permit. Any and all damages are the sole responsibility of the Applicant.
